
EUSAIR YOUTH GAMES

4th AI-NURECC INFO-KIOSK on *“European Sport and Social Inclusion Policies in the Adriatic and Ionian Region”*

27 - 29 September 2019

Venue: Piazza Cavour - Youth Games Village, Ancona (Italy)

AI-NURECC is an 18 months initiative of the key stakeholders of the Adriatic Ionian region: the Conference of Peripheral Maritime Regions ([CRPM](#)), coordinator of the initiative, the Adriatic Ionian Euroregion ([AIE](#)), the Forum of Adriatic and Ionian Cities ([FAIC](#)), the Forum of the Adriatic and Ionian Chambers of Commerce ([Forum AIC](#)), and the Association of Universities of the Adriatic-Ionian area ([UNIADRION](#)).

Based on their long-lasting experience in topics fully in line with the thematic pillars of the European Union Strategy for the Adriatic and Ionian Region ([EUSAIR](#)), partners have decided to pool forces with the aim of supporting the implementation of the EUSAIR and its action plan, ensuring deep and spread territorial coverage, at regional and local level.

The Forum of Adriatic and Ionian Cities is organising two events aimed to inform and raise awareness about the European values, policies and strategies in the field of sport as vehicle for social inclusion and cohesion within the Adriatic and Ionian region.

The events fall under the **AI-NURECC Youth Action** which aims to:

- set up an integrated dialogue with main AI youth organisations to promote EUSAIR with the final purpose to introduce young people to the decision-making processes;
- promote the implementation of intercultural learning activities;
- support the organisation of key AI youth events.

The initiatives represent an outstanding platform for promoting a unique sport, social and cultural event reinforcing synergies among Adriatic and Ionian local, regional, national and supranational actors, sport associations, schools, young people and volunteering associations.
