## AI-NURECC “EUSAIR YOUTH GAMES”

*27 - 29 September 2019*

*Ancona, Italy*

---

AI-NURECC is an 18 months initiative of the key stakeholders of the Adriatic Ionian region: the Conference of Peripheral Maritime Regions (**CRPM**), coordinator of the initiative, the Adriatic Ionian Euroregion (**AIE**), the Forum of Adriatic and Ionian Cities (**FAIC**), the Forum of the Adriatic and Ionian Chambers of Commerce (**Forum AIC**), and the Association of Universities of the Adriatic-Ionian area (**UNIADRION**).

Based on their long-lasting experience in topics fully in line with the thematic pillars of the European Union Strategy for the Adriatic and Ionian Region (**EUSAIR**), partners have decided to pool forces with the aim of supporting the implementation of the EUSAIR and its action plan, ensuring deep and spread territorial coverage, at regional and local level.

The Forum of Adriatic and Ionian Cities is organising two events in the framework of the EUSAIR Youth Games, the **AI-NURECC Info-Kiosk** on “*European Sport and Social Inclusion Policies in the Adriatic and the Ionian Region*” and the **Info Day** on “*Youth and Sport for All in the Adriatic and Ionian Region – Let’s Play Together*”, both aimed to inform about the European values, policies and strategies in the field of sport and youth with a focus on the A-I area.

The events fall under the **AI-NURECC Youth Action** which aims to:

- set up an integrated dialogue with main AI youth organisations to promote EUSAIR with the final purpose to introduce young people to the decision-making processes;
- promote the implementation of intercultural learning activities;
- support the organisation of key AI youth events.

The initiatives represent an outstanding platform for promoting a unique sport, social and cultural event reinforcing synergies among Adriatic and Ionian local, regional, national and supranational actors, sport associations, schools, young people and volunteering associations.
